RE: HPV Test Plan and Robust Summary for Chlorendic Anhydride

Dear Ms. Whitman:

Velsicol Chemical Corporation (Sponsor 899 and Registration # [REDACTED]) is committed to participation in the High Production Volume Chemical Challenge Program. As such, I am pleased to submit the Robust Summary for Chlorendic Anhydride CASRN: 115-27-5. We have submitted the summary as a Word document and have also included a hard copy. The test endpoints recommended under the HPV Challenge program have been completed and summarized.

Please contact me at 847-635-3454 if you have comments or questions regarding this submission.
